

JACK without dad! Red

2018

Dark ruby red with clear, light red rims.

Dark, red fruits dominate the clear almost uncharacteristically fruity nose. On the palate, it is no lightweight and comes with ripe tannin and decent pressure. Here, too, the dark fruit dominates.

In the core of the wine, the gravel soil on which it was grown is evident. The moderate acidity and the ripe tannins help to differentiate the fruit and to perceive each one clearly.

The finish is carried by the moderate acidity and the ripe, round tannins. It is of good to medium length.

70% Merlot, 30% Cabernet Sauvignon
