

Gelber Muskateller

2023

The floral, fruity Muscat is light straw yellow in colour in the glass.

The distinctive, playful nose develops an aroma of exotic fruits such as mango, banana and lychee as well as roses and gooseberries.

The aroma is reflected on the palate, which also presents the fruity flavour of the muscat grapes well.

The dry, fruity muscatel flavour is supported by animating acidity.

The pleasant flavour enlivens the drinking flow with a fresh, medium finish.
